Consultation on assisted suicide in Scotland

A public consultation has been launched on a bill proposed by Liam McArthur MSP to legalise assisted suicide in Scotland. It is important that as many people as possible respond to this consultation. We must send a strong message to Mr. McArthur, MSPs and the Scottish Government: that assisted suicide is a dangerous and unethical practice that must never be legalised in Scotland or any other part of the UK. The consultation is running until Wednesday 22 December 2021. Please complete the questionnaire as soon as you can and encourage others to do the same. You can find resources to help you do this at

<https://www.spuc.org.uk/assisteddyingscotlandconsultation>
